

GUJARAT TECHNOLOGICAL UNIVERSITY
Syllabus for B. Arch
SEMESTER - IX

SUBJECT NAME: SOCIOLOGY FOR ARCHITECTURE

SUBJECT CODE: 1095005

FOCUS:

To develop sensitivity amongst the students about the changing nature of community, social inequality, political power, socio-spatial change, technological change, and the relationship between the built environment and human behavior; by examining the key theoretical paradigms that have constituted the field since its founding, assess how and why they have changed over time, and discuss the implications of these paradigmatic shifts for urban scholarship, social policy and the planning practice.
